CASE 2005-00369

RECEIVED

PUBLIC SERVICE
COMMISSION

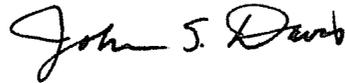

To the COMMISSION:

The Northeast Woodford Water District respectfully asks the COMMISSION to set aside the imposition of new rates by the City of Versailles and to call for examination of the proposed rates to insure that the rates charged the wholesale customers is fair and equitable.

The City of Versailles has raised rates for three consecutive years. The latest raise is a 17.5% increase and the raise in 2003 was 20%. This seems to be uncalled for as no increased capacity or service has been made by the City.

The only explanation we have is the enclosed letter.

Yours truly,

John S. Davis
Chairman
